

ESM 4: Reflection form

*[first page]*

**Reflection Form**

The purpose of this form is reflecting on the problem you have solved before each study group meeting and recording any note you would want to share with the group.

**Problem:**

---

---

- Think and explain as many different possible solutions to the problem as you can.
- Name the solutions as Solution A, Solution B, Solution C and so on.

*[second page]*

- Would this problem be useful for the year levels you teach? Does it resemble problems you might use?
- If so, identify the solution(s) that you would use to solve it, and why?
- Identify the solution(s) you hope your students would use.
